In the spirit of stewardship, not only “treasure,” but the sharing of “time” and “talent” is essential for building a Catholic School Community.

Parents or guardians are required to:

Attend meetings and contribute toward Home & School Association fundraising and events.

Donate a minimum of required school and Festival hours. Service hours are billable at the end of the school year at \$30 per hour. The school prefers the advantages of your time and talent to the monetary payment.

Sell a minimum of \$50 in raffle tickets for our Annual School Festival.

Help with and/or chair various committees for Home & School Association events and for the Annual School Festival.
